

# The Sixties Museum

Our search is nearly at an end. We will shortly announce our selection of a home! It has been a long time coming, but we are ready to take the plunge, with your support. Our programs include education, preservation and some special touches including the living Vietnam memorial and 60's Toy Museum.

**THIS IS IT!** There will be no museum, no preservation and no reminiscing without your support. At our announcement we will be offering special membership deals. And don't forget, donations are tax deductible. Please help! There is no place like this on earth.

## Items needed!

We need your 60's items for display at the museum. The history of the 60's is in you attic, your dresser and your head. Loan them or donate them, but get them on display. Contact us as [info@60smuseum.org](mailto:info@60smuseum.org) or PO Box 621, South Elgin, IL 60177.

Speaking of exhibits, the latest on the list is the original set of NASA mission control from the movie *From the Earth to the Moon*. This will help us tell the story of man's first landing on the moon and help you to share the experience.

### New Web Site :

- *The museum will soon launch a new web site with information on the new location, including where to stay and what events are coming..*
- *The Living Vietnam Memorial will help put a face to the names of those who served with videos and photos of men, women and units.*

### Notes:

- *We will soon open the museum store. Purchasing your 60's items from our store helps support the museum and its programs. Our items make great holiday presents.*

## **The Bonneville Volunteer Fair**

---

The Sixties Museum will again participate in the Bonneville Radio Volunteer Fair at Woodfield Shopping Center in Schaumburg IL. The fair is from 10 to 3 pm on October 6th in the center court. Come by and meet the folks from WDRV and WTMX in Chicago, as well as representatives from Bonneville Radio. We appreciate the chance to spread the word about the museum and the Bonneville folks that have supported our efforts from day one!

## **Did You Know?**

### **Web Updates Coming**

The Sixties Museum is updating the web site. You will see more information and more compatibility with the many browsers that are being used. We will be adding blogs and much more interactive content!

### **Mobile Unit**

The Sixties Museum is working on a mobile museum to take to Summer Festivals and to schools that are not able to visit the museum. Won't you please help make the mobile unit happen by donating to the museum and its work? We can't do any of this without your help!
